R. G. Dun & Co. report business failures for the past week of 223 in the United States, against 328 last year, and 36 in Canada, against 40 last year.

ada, against 40 last year.

Bradstreet's, to-morrow, will say:

"The activity in staple lines of merchandise is less pronounced than a month ago due to interior merchants having supplied their demands for the time, a gradual increase of the territory included by the yellow fever quarantine, the low price of cotton, a tendency in the Missouri River Valley and Spring wheat States to hold wheat for higher prices and to farmers being busy with Fall planting.

The drought is not broken in Kansas. northern Missouri and Iowa, where rains have been light, but the outlook is not alarming. Good rains have broken the drought in Nebraska, where the ground is ready for Fall planting. Unseasonable weather has had an unfavorable influence on the distribution of merchandise throughout the central West, and at Chicago and St. Louis sales have fallen off.

The imports of dry goods at the port of New York this week were valued at \$1,380,213, against \$1,100,447 last week and \$2,518,800 for the corresponding week of last year. The value of dry goods marketed was \$1,297,405, against \$996,437 last week and \$2,573,775 in the same week of last year.
